The communication filed on October 16, 2002 is non-responsive to the prior Office action because applicants were required to elect a <u>single disclosed species</u> along with an election of Group I as set forth on pages 2 and 3 of the previous Office action. Applicants have elected claim 4 as the single disclosed species. However, claim 4 is **not** drawn to a single disclosed species, *i.e.*, a single compound. Claim 4 is drawn to a genus Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) OR (b), but the period for response set in the last office action may be extended up to a maximum of SIX MONTHS.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ms. Morris whose telephone number is (703) 308-4533.
